Health Tip:

Get Outside to Exercise!

Pick an outdoor activity - going
on a hike, taking a nature walk,
playing games such as tag with
your kids, cycling, roller blading,
or swimming - to shed that
cooped-up feeling of gym
workouts. And remember, the
family that plays together not
only gets fit together - it's also a
great way to create bonding time.

participants through vinyasa flow yoga in a non-
judgmental environment for all levels. Vinyasa
yoga synchronizes the movements to your breath.

This style is sometimes also called flow yoga,
because of the smooth way that the poses run
together and become like a dance.
